

(resource types)

Core (derived from reference gazetteer)

A diagram illustrating the relationship between resource types and EMPlace additions. A light blue rounded rectangle labeled "(resource types)" is positioned above a larger yellow rounded rectangle labeled "EMPlace additions".

A diagram illustrating the classification of 'Temporal' as a resource type. It consists of a light blue rounded rectangle labeled 'Temporal' positioned below and to the right of a light gray rounded rectangle labeled '(resource types)'. A thin blue line connects the bottom-left corner of the 'Temporal' box to the bottom-right corner of the '(resource types)' box, indicating a hierarchical relationship.

A diagram with a light purple rounded rectangle containing the text "(resource types)" and a light green rounded rectangle containing the text "Spatial". The green rectangle is positioned below and to the right of the purple one, partially overlapping it.
